## ISOIL Industria

### WORLD OF THE HVAC & R

**ISOIL Industria** is a global manufacturer and supplier of electromagnetic and ultrasonic flowmeters, all-in-one energy meters and BTU calculators thanks to HEMINA, its production centre and LIBRA, its impressive **ISO17025 accredited calibration laboratory**.

Operating mainly in the HVAC & R and integrated water cycle sectors, Isoil Industria has over 60 years of experience in delivering to its customers the solutions that count in the field of instrumentation and flow monitoring.
